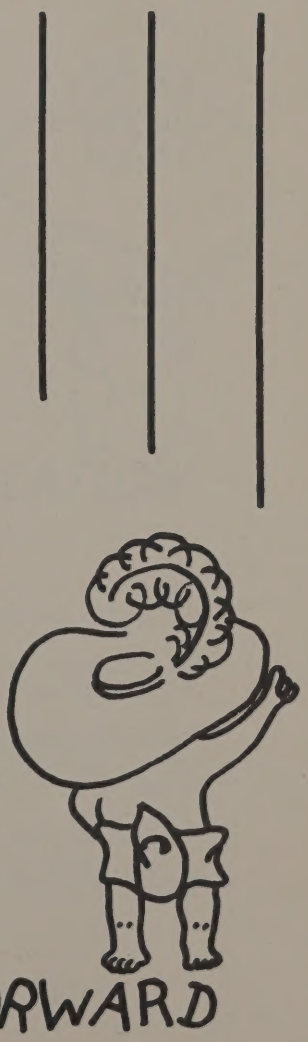
Congratulations to you on completing twelve years of successful study. You are now eligible to receive your high school diploma and I sincerely hope that you will receive diplomas of success in whatever you may do. For some of you this is only the first academic diploma. You may receive others from colleges and universities. Whatever your field, however, I urge you to put forth your best effort. This first diploma should be but the first step on the stairway to your eventual goal in life. That goal, of course, is success, and my earnest hope is that you will, through the using of your abilities, reach that goal.

You have played an important roll in helping to establish traditions in your school. Without your sincere efforts in the direction of improving scholarship, developing good citizenship, and producing leadership, this school would be just another cold and lifeless structure. Your experiences have been many and varied with the aim of developing competent well-balanced citizens who can go out into a complex world and take their rightful place. We trust that you have made the most of your opportunities so you may have that feeling of satisfaction which comes from a job well done,

Your administration and faculty have been very happy and proud to have been able to work with you. We hope that these associations along with those you have had with other students and friends will have caused you to grow in the understanding of knowledge in the social graces, in the ability to mingle with others, and in the desire to rise above mediocrity.

We hope that you may look back upon your experiences with the fondest of memories and a feeling of pride. To those of you who are now leaving us, we extend our best wishes for a bright and successful future.



DEDICATION

SOME MUST FOLLOW, AND SOME COMMAND, THOUGH BOTH ARE EQUAL.

GREAT LEADERS WILL ALWAYS BE REMEMBERED, BUT CREDIT AND RECOGNITION FAIL TO REACH THEIR FOLLOWERS. FOR WITHOUT FOLLOWERS THERE CAN BE NO GREAT LEADERS.

THE BURDEN OF CARRYING OUT A DUTY AND MAINTAINING HIGH PRINCIPLES IS LAID UPON THE SHOULDERS OF THE FOLLOWERS. MAY THE TOUCH OF HOPE, WISDOM, AND TRUE CHARACTER BE HELD HIGH SO THEY MAY FOLLOW IN ITS LIGHT.

TO YOU MR. HAROLD MOSTROM, WHO HAS HELPED AND GUIDED US TO A BETTER UNDERSTANDING OF THE AMERICAN WAY OF LIFE, AND A BETTER UNDERSTANDING OF OUR COUNTRY, WE THE SENIOR CLASS DEDICATE THE 1957-58 CAVALIER TO YOU.

AS I WAS SAYING-

OHHHH OH, ELVIS!

Here it is once again another school year, with new teachers books, and there are several new faces we would like to welcome into our class; Rose Marie Udenberg, Eleanor Lamirande and Betty Kehoe. We were all thrilled to here the first day of school that we were going to have Mr. Johnson as our home room advisor.

We enjoyed watching the Freshmen on initiation day this year going through their antics, we all got a bang out of watching Frank Ornie doing the Hula Hula, and the rest of the students going through their acts also. It was much more fun watching instead of participating as we had to go through our paces last year.

Everyone I know has enjoyed all the different sports events in school, but the big occasion during basketball season is the Homecoming during which time four girls are chosen to run for Queen. This year we wish the best of luck to our chosen candidate.

There are a few things we look forward to and that is Thanksgiving, Christmas, and Easter Vacation.

May is a big month for everyone. There are three big events, the Spring Concert, in which most of the high school girls participate, the Prom is the highlight of the year to which we are hoping to be invited, and finally Graduation, the goal we all are working for. Best wishes to the seniors of this year, from the Sophomore class.

For The House Builder

Left to right; Jerry Truscott, Judy Stromgren, Charlotte Groshek, Alice Abrahamson, Diane MacLean, Gerald Hirsch.

Dear friends,

I hope you have enjoyed our Annual this year. We have added some new features which we hope you will like.

I wish to thank Diane MacLean for the fine job she did on layouts, Gerald Hirsch who did an excellent job as photographer, for our annual, and Judy Hamlin who helped us with write-ups. I suppose you all have noticed "Chubo," our little mascot, that Judy Stromgren did such a fine job of drawing for the cover and throughout the book. I wish to express my appreciation to our solicitors Karen Wiseman, Peggy Gustafson, Howard Britton, Jerry Truscott, Dale Olmstead, and Donald Alseth, and the rest of our classmates who have helped. Miss McCall, our advisor, helped us a great deal for which we are thankful for. I am also grateful to the business concerns who supported us.

We wish the best of luck to those who will be working on the Annual in future years and hope you will enjoy it as much as we have.
